Our August club night

The house band Breakthru' opened up the evening as usual, we also saw them play last Wednesday at a nearby Club in Molesey where they had a chance to play a few non Shadows hits and explore some different sounds.

I was first up to get it over and done with, not too good for me as I did not have much practice and am only just getting full feeling back into my fingers.

The Players

Steve J – Apache, Wonderful Land

Tony Knight – Foot Tapper, Cavatina (Theme from The Deer Hunter)

Mike Norris – Theme from Shane, Mustang

Breakthru' opened the second half before the players came back for another round, playing one tune each due to time pressing on.

FOOT TAPPER will be appearing at our 18th Dec Meeting

We had the pleasure of meeting Foot Tapper at last year's Ch'tishad event in France and invited them to pay a visit to The Surrey Shadows Club, which they have generously accepted to be with us at our 18th December meeting. Their leader & lead guitarist – Jacques Godot has kindly written the following short introduction for our Newsletter.

*"Our Shadows Tribute band **Foot Tapper** was formed in 1992 based in Nancy, North East France. Our four band members have each played Shadows music for a very long time.*

Left to right:

*Magico Rico
drums,*

*Jacques Godot
lead guitar,*

*Albert Fabbro
bass guitar*

*Claude Jacques
rhythm guitar*

"Some of us have participated in festivals around France including Grenoble-Vif (The Shadows), Calais (Rock Across the Channel), Lille-Fleurbaix (Ch'tishad). For several years, Foot Tapper have shared close ties with Shadowmaniacs France and indeed Michel Hénaux and Marcel Dumont will be joining us on our trip.

On the eve of Christmas, Foot Tapper will have fulfilled a dream of coming to England. Thank you to Bob Withrington, Bruce Heyden and all members of their beautiful association for the invitation to The Surrey Shadows Club".

FENDER SPECIAL EDITION '50'S STRATOCASTER MN FIESTA RED (HANK MARVIN COLOUR)

I have far too many guitars (my wife says!) so I'm reducing my collection. This is one that I'll be sad to see go, being a Shadows fan, but it's either that or move to a bigger house! It has no dings or scratches, no fret wear, and plays and sounds really good. It's nicely set up and stays in tune well. It comes with a Brandom custom thick padded gig bag. I've also fitted a Hank Marvin type staggered tremolo arm (I can put the original back if you prefer, but the Hank one is better!)
